The Monroe County Community School Corporation employs Registered Nurses (RN's). RN's (in the elementary/middle schools) and RN's or appointed school health care personnel (in the high schools) may dispense aspirin, aspirin substitutes or other non-prescription medications when in their professional judgment such remedies are warranted, unless the parent/guardian or physician have given instructions to the contrary. Prior to dispensing such medication, the school nurse shall inquire of the student whether they are allergic to these medications. Should the above student become ill or injured, while in school or on a field trip, first-aid will be given. Further care must be assumed by the parent/guardian. In the event of an emergency, 911 may be called and the school will make reasonable attempts to reach the parent/guardian.

The undersigned parents or custodial parent and natural guardian or guardian or court appointed guardian, hereinafter called APPOINTER, of _____ (student), hereinafter called MINOR, having the authority to give consent for medical treatment of MINOR, pursuant to I.C. 16-36-1-7 hereby appoints Monroe County Community School Corporation Sponsors as the representative of Appointer to act in Appointer's stead in giving consent in matters affecting health care of Minor.
